PENNSYLVANIA FIGHTS **NEW ENGLAND ROADS**

Application of the New England ailroads for a readjustment of the divisional rates with trunk lines, was opposed today before the Interstate Wright, general traffic manager of ne Pennsylvania system.

New England carriers are already receiving more than their proportionate share of divisional rates, trunk lines believe there will be a readjustment of existing rates within a short time and that class rates on some commodities will be increased and that such a readjustment would ing the New England roads.

MINE SALE SET ASIDE

Montana to the Anaconda Copper Mining Company was set aside today by the United States Supreme Court on the ground of inadequacy of price. The sale was tested by minority stockholders, who alleged that \$1, 500,000 paid was not enough and that there was a violation of the Sherman anti-trust law by the Anaconda Company in an effort to control copper production in the Butte district. EDUCATIONAL

Free to Ex-Service Men and Women

New courses in bookkeeping, accounting,

income tax accounting, business law, English, Spanish, shorthand, typewriting and other subjects are now being organized at the Knights of Columbus Evening School. These courses are free to men and women who present honorable discharges from service in the Army, Navy, or Marines. Persons desiring to take advantage of this offer should register not later than Monday, January 31, either at 1311 Massachusetts avenue or 1004 F street N. W.

made by way of Rotterdam, and only to 40,000,000 pounds monthly. the last few cargoes have gone The credit which the German copmade between banking interests in after which, with the money signed and the state of war ended.

recently all shipments have been were running at the rate of 25,000,000

straight to the German port of entry.

Because of relations between this country and Germany all those purchases have been for cash, conditions the revolving credit set up for the making it impossible for Germany to benefit of French consumers several have credits established on this side months ago. By that arrangement of the Atlantic. It is understood, France was given sufficient metal to however, that arrangements have been supply her needs for a stated period, this country and Germany as a result ceived from her manufactured prodof which credits for the purchase of ucts, she paid for the first shipment, copper here will be established as whereupon a second shipment was soon as a treaty of peace shall be immediately made. That credit was German buying of copper in America | guaranteed by French banking estab-

Woman Invades Smoker With Gold-Tipped Cigarette

BALTIMORE, Jan. 25 .- Passengers on Train No. 6. Western Mary-land Railroad, yesterday saw a young, well-dressed woman enter the smoking car and indulge in a gold-tipped cigarette. She was accompanied by a man, who smoked

The man and woman boarded the train at Blue Ridge Summit and took a seat in the third coach. The man suggested that he go to the smoker to smoke his pipe. "I'll go too," the gi-1 said.

"Have you any objections if I go to the smoker?" she inquired of Conductor George H. Sheets. "Go to itt," replied the conductor.

SOUTHEASTERN EXPRESS **ELECTS NEW OFFICERS** BIRMINGHAM, Afa., Jan. 25 .- In-

crease of the capital stock of the Southeastern Express Company, which is to take over the express business on the lines of the Southern Railway system and the Mobile and Ohio railroad, to \$1,000,000, was authorized at meeting of the stockholders in Bire mingham yesterday and the charter was amended accordingly.

Following the meeting of stockholders, a meeting of the directors was held, and John B. Hockaday was elected president and general manager; Capt. Charles A. Lyerly, vice president; Ferris W. Woods, secretary and treasurer, and Sanders McDaniel,
